

Product Overview

Description:	Adult Thumb Spica
Type:	Adjustable
Colours:	Black
Structure:	Breathable neoprene, nylon and polyester padded construction with laced as well as hook-and-loop (Velcro) closures.

Description

Provides targeted support and immobilisation for the wrist and thumb. Crafted from high-quality breathable materials, with integrated aluminium stays for stabilisation, it ensures comfort while effectively aiding recovery from injuries and chronic conditions. Suitable for both left and right hands, it combines versatility, comfort, and durability in one universal solution.

Sizes
